

2015 Update 6 - Round 4 Taupo Preview

Round 4 Taupo - Preview

Round 4 of the 2015 season is fast approaching and is set to be held on the 16/17/18th of October at Taupo Motorsport Park.

I am currently leading the Championship by 22 points heading into this round where I will be looking to extend the lead. It will be good to have as many people cheering on the BEL Group Ford Falcon as we look for a strong weekend. The track at Taupo Motorsport Park offers great visibility - we hope you won't go home disappointed. There is a great list of classes for the weekend so there will be no shortage of action.

The session times for the UDC NZV8 UTES are as follows:
